Party Favour Billie Eilish

Hey - call me back when you get this
Or when you've got a minute
We really need to talk
Wait - you know what
Maybe just forget it
'Cause by the time you get this
Your number might be blocked

"Stay" and "bla bla bla"
You just want what you can't have
No way
I'll call the cops
If you don't stop, I'll call your dad

And I hate to do this to you on your birthday
Happy birthday by the way
"It's not you, it's me" and all that other bullshit
You know that's bullshit
Don'tcha', babe?
I'm not your party favour

Look - now I know, we could've done it better
But we can't change the weather
When the weather's come and gone
Books don't make sense if you read 'em backwards
You'll single out the wrong words
Like you mishear all my songs

You hear "stay" and "bla bla bla"
You just want what you can't have
No way
I'll call the cops
If you don't stop, I'll call your dad

And I hate to do this to you on your birthday
Happy birthday by the way
"It's not you, it's me" and all that other bullshit
You know that's bullshit
Don'tcha', babe?
I'm not your party favour

Autumn Leaves Jacques Prévert & Cannonball Adderley, ...

The falling leaves... pass by my window
The autumn leaves... of red and gold
I see your lips... your summer kisses
The sunburned hands... I used to know

Since you went away
The days grow long
And soon I'll hear old winter's song
But I'll miss you most of all
My darling... when autumn leaves...
Start to fall
I said I miss you most of all
My darling... when autumn leaves
Start to fall...

Toxic Melanie Martinez 2 x 8 into

**Baby, can't you see
I'm calling
A guy like you
Should wear a warning
It's dangerous
I'm fallin'**

**There's no escape
I can't wait
I need a hit
Baby, give me it
You're dangerous
I'm lovin' it**

**Too high
Can't come down
Losing my head
Spinning 'round and 'round
Do you feel me now**

**Taste of your lips
I'm on a ride
You're toxic I'm slipping under
With a taste of a poison paradise
I'm addicted to you
Don't you know that you're toxic
And I love what you do
Don't you know that you're toxic**

**It's getting late
To give you up
I took a sip
From my devil's cup
Slowly
It's taking over me**

Too high
Can't come down
loosing my head
And it's all around
Spinning 'round and 'round

Taste of your lips
I'm on a ride
You're toxic I'm slipping under
With a taste of a poison paradise
I'm addicted to you
Don't you know that you're toxic
And I love what you do
Don't you know that you're toxic
Yeah I love what you do
Don't you know that you're toxic

Taste of your lips
I'm on a ride
You're toxic I'm slipping under
With a taste of a poison paradise
I'm addicted to you
Don't you know that you're toxic
And I love what you do
Don't you know that you're toxic

Intoxicate me now
With your lovin' now
I think I'm ready now
I think I'm ready now
Intoxicate me now
With your lovin' now
I think I'm ready now

Intoxicate me now
With your lovin' now
I think I'm ready now
I think I'm ready now
Intoxicate me now
With your lovin' now
I think I'm ready now
Intoxicate me now

Jealous Guy John Lennon

I was dreamin' of the past
And my heart was beating fast
I began to lose control
I began to lose control

I didn't mean to hurt you
I'm sorry that I made you cry
Oh no, I didn't want to hurt you
I'm just a jealous guy

I was feeling insecure
You might not love me anymore
I was shivering inside
I was shivering inside

Oh, I didn't mean to hurt you
I'm sorry that I made you cry
Oh no, I didn't want to hurt you
I'm just a jealous guy

I didn't mean to hurt you
I'm sorry that I made you cry
Oh no, I didn't want to hurt you
I'm just a jealous guy

I was trying to catch your eyes
Thought that you was trying to hide
I was swallowing my pain
I was swallowing my pain

I didn't mean to hurt you
I'm sorry that I made you cry
Oh no, I didn't want to hurt you
I'm just a jealous guy, watch out
I'm just a jealous guy, look out, babe
I'm just a jealous guy

If the World Was Ending Julia Michaels, JP Saxe 6 x 8 and In

I know, you know, we know
You weren't down for forever and it's fine
I know, you know, we know
We weren't meant for each other and it's fine

But if the world was ending
You'd come over, right?
You'd come over and you'd stay the night
Would you love me for the hell of it?
All our fears would be irrelevant
If the world was ending
You'd come over, right?
The sky'd be falling and I'd hold you tight
And there wouldn't be a reason why
We would even have to say goodbye
If the world was ending
You'd come over, right?
Right?
If the world was ending
You'd come over, right?
Right?

I tried to imagine
Your reaction
It didn't scare me when the earthquake happened
But it really got me thinkin'
That night we went drinkin'
Stumbled in the house
And didn't make it past the kitchen
Ah, it's been a year now
Think I've figured out how
How to think about you without it rippin' my heart out

I know, you know, we know
You weren't down for forever and it's fine
I know, you know, we know
We weren't meant for each other and it's fine

But if the world was ending
You'd come over, right?
You'd come over and you'd stay the night
Would you love me for the hell of it?
All our fears would be irrelevant
If the world was ending
You'd come over, right?
The sky'd be falling while I'd hold you tight
No, there wouldn't be a reason why
We would even have to say goodbye
If the world was ending
You'd come over, right?
You'd come over, right?
You'd come over, you'd come over, you'd come over, right?

I know, you know, we know
You weren't down for forever and it's fine

I know, you know, we know
We weren't meant for each other and it's fine

But if the world was ending
You'd come over, right?
You'd come over and you'd stay the night
Would you love me for the hell of it?
All our fears would be irrelevant
If the world was ending
You'd come over, right?
The sky'd be falling while I hold you tight
No, there wouldn't be a reason why
We would even have to say goodbye
If the world was ending
You'd come over, right?
You'd come over, you'd come over, you'd come over, right?

If the world was ending
You'd come over, right?

I Don't Want To Be Gavin DeGraw Intro slow 2 x 8 and 1,2 wait

**I don't need to be anything other , than a prison guard's son
I don't need to be anything other, than a specialist's son
I don't have to be anyone other , than the birth of two souls in one
Part of where I'm going , is knowing where I'm coming from**

**I don't want to be anything
Other than what I've been trying to be lately
All I have to do, is think of me, and I have peace of mind
I'm tired of looking around rooms wondering what I gotta do
Or who I'm supposed to be, I don't wanna be, anything, other than me**

1 x 8 & 1,2 wait

**I'm surrounded by liars, everywhere I turn
I'm surrounded by imposters , everywhere I turn
I'm surrounded by identity crisis, everywhere I turn
Am I the only one to notice?
I can't be the only one who's learned**

**I don't want to be anything
Other than what I've been trying to be lately
All I have to do, is think of me, and I have peace of mind
I'm tired of looking around rooms wondering what I gotta do
Or who I'm supposed to be
I don't want to be anything other than me.....**

**Can I have everyone's attention please.....
If you're not like this and that
You're gonna have to leave.....
I came from the mountain, the crust of creation**

**My whole situation made from clay to stone
And now I'm telling everybody**

**I don't want to be anything
Other than what I've been trying to be lately
All I have to do is think of me and I have peace of mind
I'm tired of looking around rooms wondering what I gotta do
Or who I'm supposed to be
I don't want to be anything other than me
I don't want to be
I don't want to be
I don't want to be
I don't want to be**

Anything

I don't wanna be

I don't wanna be

Hymn to Love Cyndi Lauper Right key/ waiting on James

If the sky should fall into the sea
And the stars fade all around me
All the times that we have known
I... will sing a hymn to love

We have lived and dreamed we two alone
In a world that's been our very own
With its memories ever grateful
Just for you, I sing , my hymn to love

I remember each embrace
The smile that lights your face
And my heart begins to sing
Your arms, that held secure
Your eyes that said be sure
And my heart begins , to sing

Break long as one verse above

If one day we had to say goodbye
And our love should fade away and die

In my heart you will remain
And I'll sing a hymn to love.....

Break

Oh so love, we live eternally
In the blue we'll roll this harmony
Every day we are in heaven
Just for you, I'll sing a hymn to love

I'm Gonna Wash That Man Right Outa My Hair South Pacific 2 x 8 and In

**I'm gonna wash that man right outa my hair,
I'm gonna wash that man right outa my hair,
I'm gonna wash that man right outa my hair,
And send him on his way.**

I'm gonna wave that man right outa my arms,

**I'm gonna wave that man right outa my arms,
I'm gonna wave that man right outa my arms,
And send him on his way.**

Don't try to patch it up

Tear it up, tear it up!

Wash him out, dry him out,

Push him out, fly him out,

Cancel him and let him go!

Yea, sister!

**I'm gonna wash that man right outa my hair,
I'm gonna wash that man right outa my hair,
I'm gonna wash that man right outa my hair,
And send him on his way.**

**If a man don't understand you,
If you fly on separate beams,
Waste no time, make a change,
Ride that man right off your range.
Rub him out of the roll call
And drum him out of your dreams.**

Oho!

**If you laugh at different comics,
If you root for different teams,
Waste no time, weep no more,
Show him what the door is for.
Rub him out of the roll call
And drum him out of your dreams.**

You can't light a fire when the woods are wet, No!

You can't make a butterfly strong, Hmm, hmm!

You can't fix an egg when it ain't quite good,

And you can't fix a man when he's wrong!

You can't put back a petal when it falls from a flower,

Or sweeten up a fellow when he starts turnin' sour Oh no! Oh no! **Dance Break**

If his eyes get dull and fishy,
When you look for glints and gleams,
Waste no time,
Make a switch,
Drop him in the nearest ditch!
Rub him out of the roll call,
And drum him out of your dreams
Oho! Oho!

I went to wash that man right outa my hair,
I went to wash that man right outa my hair,
I went to wash that man right outa my hair,
And sent him on his way.

I went to wash that man right outa my hair,
I went to wash that man right outa my hair,
I went to wash that man right outa my hair,

And send him on his way!

There Is Nothin' Like a Dame Oscar Hammerstein II, Richard Rodgers

We've got sunlight on the sand
We've got moonlight on the sea
We've got mangoes and bananas we can pick right off a tree
We've got volleyball and ping-pong and a lot of dandy games
What ain't we got?
We ain't got dames!

We get packages from home
We get movies, we get shows
We get speeches from our skipper
And advice from Tokyo Rose
We get letters doused with perfume,
We get dizzy from the smell
What don't we get?
You know damn well

We've got nothing to put on a clean white suit for
What we need is what there ain't no substitute for

There is nothing like a dame
Nothing in the world
There is nothing you can name
That is anything like a dame

We feel restless, we feel blue
We feel lonely and in brief
We feel every kind of feeling
But the feeling of relief
We feel hungry as the wolf felt when he met Red Riding Hood
What don't we feel?
We don't feel good

Lots of things in life are beautiful but, brother
There is one particular thing that is nothing whatsoever
In any way, shape, or form like any other

There is nothing like a dame
Nothing in the world
There is nothing you can name
That is anything like a dame

Nothing else is built the same
Nothing in the world...
Has a soft and wavy frame
Like the silhouette of a dame.
There is absolutely nothing like the frame
Of a dame.....

Mercy Shawn Mendes

You've got a hold of me
Don't even know your power
I stand a hundred feet
But I fall when I'm around you

Show me an open door
Then you go and slam it on me
I can't take anymore
I'm saying baby

Please have mercy on me
Take it easy on my heart
Even though you don't mean to hurt me
You keep tearing me apart
Would you please have mercy, mercy on my heart
Would you please have mercy, mercy on my heart

I'd drive through the night
Just to be near you, baby
Heart open, testify
Tell me that I'm not crazy

I'm not asking for a lot
Just that you're honest with me

**My pride is all I got
I'm saying baby**

**Please have mercy on me
Take it easy on my heart
Even though you don't mean to hurt me
You keep tearing me apart
Would you please have mercy on me
I'm a puppet on your string
And even though you got good intentions
I need you to set me free
Would you please have mercy, mercy on my heart
Would you please have mercy, mercy on my heart**

**Consuming all the air inside my lungs
Ripping all the skin from off my bones
I'm prepared to sacrifice my life
I would gladly do it twice
Consuming all the air inside my lungs
Ripping all the skin from off my bones
I'm prepared to sacrifice my life
I would gladly do it twice**

**Please have mercy on me
Take it easy on my heart
Even though you don't mean to hurt me
You keep tearing me apart
Would you please have mercy on me
I'm a puppet on your string
And even though you got good intentions
I need you to set me free**

**I'm begging you for mercy, mercy
Begging you, begging you, please, baby
I'm begging you for mercy, mercy
Ooh, I'm begging you, I'm begging you**

Best Part Daniel Caesar

Oh, eh.....

**You don't know, babe
When you hold me
And kiss me slowly
It's the sweetest thing
And it don't change
If I had it my way
You would know that you are**

You're the coffee that I need in the morning
You're my sunshine in the rain when it's pouring
Won't you give yourself to me
Give it all, oh

I just wanna see
I just wanna see how beautiful you are
You know that I see it
I know you're a star
Where you go I follow
No matter how far
If life is a movie
Oh you're the best part, oh oh oh
You're the best part, oh oh oh
Best part

It's the sunrise
And those brown eyes, yes
You're the one that I desire
When we wake up
And then we make love
It makes me feel so nice

You're my water when I'm stuck in the desert
You're the Tylenol I take when my head hurts
You're the sunshine on my life

I just wanna see how beautiful you are
You know that I see it
I know you're a star
Where you go I follow
No matter how far
If life is a movie
Then you're the best part, oh oh oh
You're the best part, oh oh oh
Best part

If you love me won't you say something
If you love me won't you
Won't you
If you love me won't you say something
If you love me won't you
Love me, won't you
If you love me won't you say something
If you love me won't you
If you love me won't you say something
If you love me won't you
Love me, won't you
If you love me won't you say something

If you love me won't you
If you love me won't you say something
If you love me won't you
Love me, won't you
